

Zapmail Sprint 1 Review

By:

- Aurora Jitrskul
- Pradeep Periyasamy
- Charlie Chiu
- Wang Yifei

Sprint 1 Objective/Goal

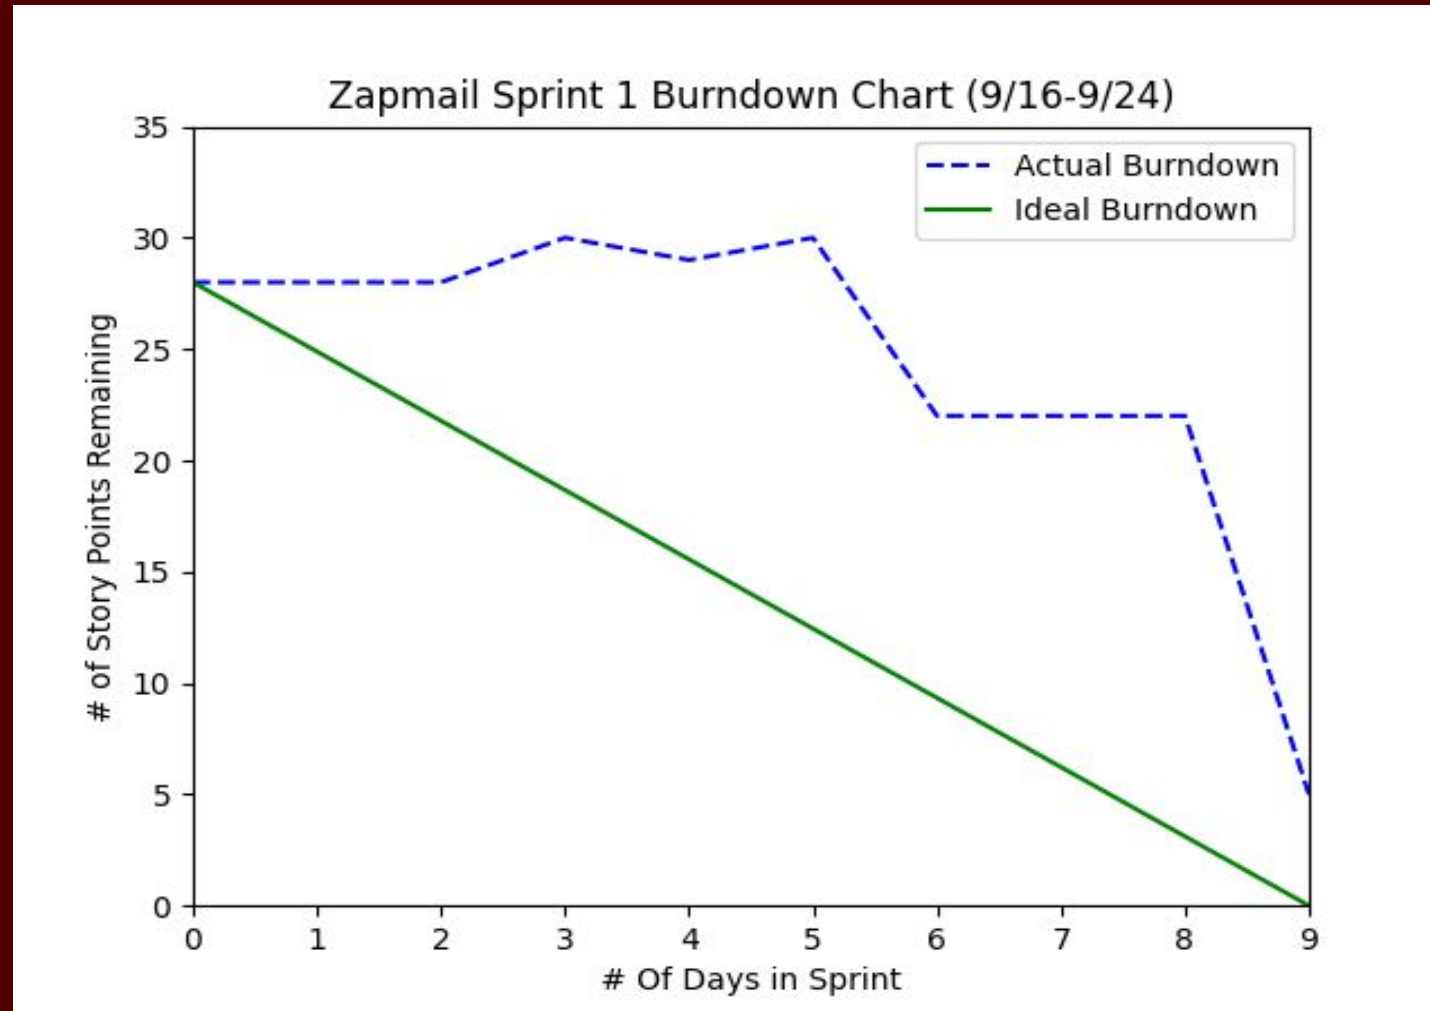

Setup, Create, Implement and Deploy a baseline application for Zapmail with the core purpose of allowing users to track and create email campaign strategies from csv files

The Stats

This sprint we:

- Created **21** user stories (**86** story points) for our product backlog
- Assigned **12** user stories (**37** story points) for the Sprint 1 backlog
- Completed **10** user stories (**31** story points) for Sprint 1
- Completed **1** increment

Sprint 1 Burndown

What did we do:

MU App

Editing **test 2**
